To Whom It May Concern,

My name is [REDACTED], and I serve on the Board of Directors for the [REDACTED]. I am writing to provide a strong recommendation for Rocket Landscape, who has been our community's landscape maintenance provider for several years.

Since partnering with Rocket Landscape, our neighborhood has seen a tremendous improvement in the overall appearance and health of our common areas. Their crew is consistent, professional, and takes pride in their work. The lawns are always well-maintained, the seasonal color is beautifully done, and any concerns or requests from the Board are addressed quickly and thoroughly.

What truly sets Rocket Lawn Care apart is their attention to detail and commitment to quality. They regularly communicate with both the Board and our community manager, ensuring that projects stay on schedule and issues are resolved promptly. It's clear that they genuinely care about the communities they service and take the time to do things right the first time.

I would highly recommend Rocket Lawn Care to any association looking for a reliable, knowledgeable, and hardworking landscape partner. They have been a pleasure to work with and have earned the trust and appreciation of our Board and homeowners alike.

Sincerely,

Client Recommendations

To Whom it May Concern,

I write to strongly recommend Rocket Lawn and Landscape. [REDACTED] and his team came onboard when our homeowners association was in need of a new landscaping company after going through 2 companies in less than a year with less-than-stellar service.

When I met [REDACTED] I could tell immediately that he and his company were all about customer service. Without even knowing me or our community he expressed how he saw our community getting into shape, so to speak. That was something we needed at the time because of what we weren't getting before.

On our first walk-through of our community, [REDACTED] spent more time with us than the past 2 landscapers combined. That made a big impression on me, and I got a good feeling that this was going to be a company that would do good things for us. Sure enough, in the relatively short time that we have had Rocket as our landscapers a noticeable change was visible in our community. Items that needed immediate attention were worked on in the first days, and the community started coming together. His team worked extra time to get things to where we thought they should be.

Since then, Rocket has continued to provide our community with quality service, responding to our needs quickly and as we need them. We can contact them at any time and know that situations will be resolved to our satisfaction. For these reasons I highly recommend Rocket Lawn and Landscape for anyone's landscaping needs.
